

DR. RAÚL MONTALVO NAMED PRESIDENT OF MSO OF PUERTO RICO, INC. A SUBSIDIARY OF AVETA INC.

Fort Lee, N.J. – [Aveta Inc.](#), one of the nation’s largest providers of managed healthcare services, named Dr. Raúl F. Montalvo Orsini as President of [MSO of Puerto Rico, Inc.](#), one of its provider network management companies.

Doctor Montalvo most recently served as Interim President of MSO and previously served as their Chief Medical Officer, where he played a key role in the initial development of the company. Doctor Montalvo has also served as Executive Vice President of Medical Affairs of [PMC Medicare Choice, Inc.](#), and Senior Vice President for Medical Affairs for [MMM Healthcare, Inc.](#) – Aveta’s two Medicare Advantage plans.

Working in conjunction with MMM and PMC to offer Puerto Rico’s seniors high-quality healthcare, MSO is a leading administrative medical service organization. The company helps providers streamline operations so they achieve financial success, operational efficiency and offer quality patient care.

“This natural progression from Interim President to President comes after Montalvo’s tenure with us,” said Richard Shinto, M.D., President and Chief Executive Officer of Aveta. “Dr. Montalvo’s extensive involvement with all of our subsidiaries, coupled with his healthcare background and leadership experience, makes him a perfect candidate to lead this organization long-term.”

A well-known and respected physician, Dr. Montalvo has over 25 years of experience in medicine and has been a key figure within the local healthcare community in Puerto Rico for years.

“I look forward to doing my part to help MSO grow in the coming years, which will in turn, further contribute to the continued success of both MMM and PMC. This way we’ll be able to consistently work to improve the healthcare services for Puerto Ricans,” said Montalvo.

Dr. Montalvo graduated from the Ponce School of Medicine, where he served as resident physician at the DAMAS Hospital and then chief resident. Afterwards he earned a medical MBA from the University of Tennessee. In addition, he has also been a primary care physician for the local Health Reform since the inception of the program.

He previously served as Dean of Student Affairs, as well as Dean of Academic Affairs at the Ponce School of Medicine. Dr. Montalvo also served as medical director for Lafayette Hospital, the Ambulatory Clinics of DAMAS Hospital and the Programa Educativo Salud Integral (PESI). He also has experience consulting with health management organizations including United Healthcare and Preferred Health Management.
